

PRIMARY LOGO

SECONDARY LOGO

The logo consists of a blue icon on the left, which is a stylized 'E' composed of three horizontal bars of equal length. To the right of this icon is the word 'epicPool' in a blue, rounded, sans-serif typeface. The word is written in lowercase, with the 'e' and 'i' being lowercase and the 'P' being uppercase. The 'o' and 'o' are also lowercase. The entire logo is rendered in a solid blue color.

ICON

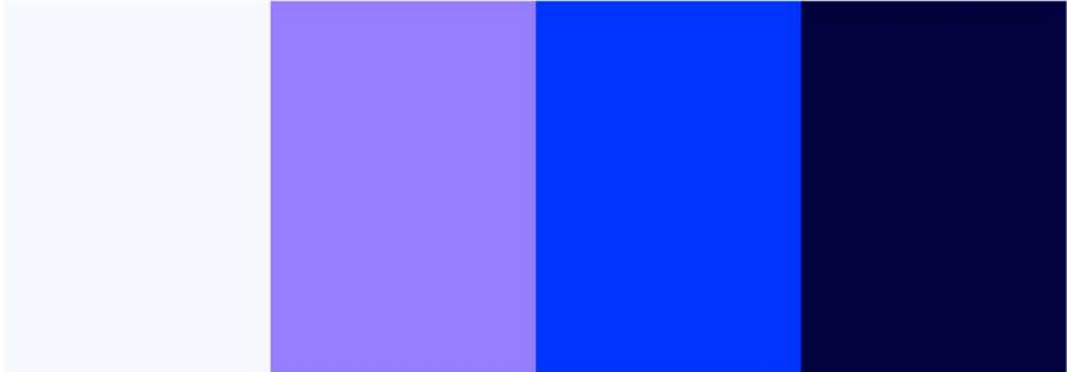

LOGO IDEA

The EpicPool logo unites finance, play, and community in one mark: a B for trust, a soft "e" for approachability, and a hexagon for pooling and networks. Together they form a dynamic "E" with a flowing stroke that adds motion, fun, and reward-driven energy

PRIMARY TYPOGRAPHY

We use one typeface across all our headlines: Poppins Semibold. With its clean geometry, balanced curves, and modern aesthetic, Poppins brings both clarity and character to Brand's identity. Whether standing bold as a headline or supporting quietly in layout compositions, it adapts seamlessly across all design expressions.

POPPINS

SECONDARY TYPOGRAPHY

Our secondary typeface is Quicksand, a friendly, rounded sans-serif that complements Poppins perfectly. Designed for readability and softness, Nunito brings warmth and approachability to body text and extended content.
